

**AMERICAN SOCIETY OF CLINICAL ONCOLOGY
ASCO VOLUNTEER CORPS GROUP DESCRIPTION**

GROUP: JOURNAL REVIEWERS
DEPARTMENT: PUBLISHING

GROUP DESCRIPTION

Journal reviewers enhance the quality of manuscripts submitted to ASCO journals by providing their comments and expertise. Through the peer review process, they provide editors with guidance to determine if a paper is acceptable for publication.

MEMBER RESPONSIBILITIES

Reviewers who complete at least three (3) reviews for any of ASCO's journals in a calendar year will receive 1.0 point towards the FASCO designation.

TERM

1 year

MEETINGS

None

QUALIFICATIONS

Members must be a knowledgeable peer reviewer with previous peer review experience.

Members will need to have or create a reviewer account in the system for ASCO journals.

Members must be able to provide reviews in English.
